ELECTRICAL APPEARANCES

LISANDRO DIAZ (MASTER ELECTRICIAN)

Wishes to appear before the Board to discuss testing procedures regarding test retakes on a partial examination when in the interim there has been a change in examination service provider. Mr. Diaz took his Master Electrician examination on March 5, 2005 with PSI and passed the Business and Law part of the examination but failed the Technical portion. The testing procedures that have been in place allow an examinee to retake only the portion he failed within one year. However, Mr. Diaz and others are faced with the dilemma that there is now a different examination company from the time that they originally sat for their exam. Therefore, a ruling is needed as to retakes on a partial examination when another vendor is providing the service so that the appropriate directives can be given to the current examining company.

MIGUEL R. MARRERO (JOURNEYMAN ELECTRICIAN)

Wishes to appear before the Board to request late renewal of his journeyman electrician certification which expired September 30, 1999.

LUIS RODRIGUEZ (EXAM APPLICANT - JOURNEYMAN ELECTRICIAN)
